

# Rehabilitation Report Card

## Dear Healthcare Provider,

Covenant Living at Inverness is proud to partner with the leader in post-acute therapy services – HealthPRO Heritage. This collaboration will continue to benefit your patients! Covenant Living at Inverness is proud to report on the following:

- ✓ Comprehensive interdisciplinary discharge planning team
- ✓ Exceptional clinical outcomes for patients by focusing on evidence-based practice and patient-centered care
- ✓ Private rooms, new modalities, and state-of-the-art therapy equipment
- ✓ Dedicated skilled therapists with expertise in a variety of conditions, diagnoses, and treatments
- ✓ Therapy up to 7 days a week
- ✓ Proven results achieving great patient outcomes
- ✓ Therapy services offered to skilled short-term inpatients, through our on-site outpatient clinic, and to patients discharged to home via our home health continuum

We invite you to speak with our therapy team. We would like to know more about what is important to you and to the patients in your care. Your trust and support is important to us!

Connect with us! Our admissions and healthcare navigator team would love to answer your questions and provide additional information specific to your rehabilitation or post-acute needs.
